Subject: Apps for Earth: Limited-Time Offers on Games & Apps You Love

Small actions. Big change.

You can help protect our planet — simply by purchasing great apps and games. The App Store and WWF have teamed up with 24 developers for Apps for Earth, a fundraising effort that features games, creative tools, fitness apps, and more. Until April 24, 100% of proceeds from participating apps and In-App Purchases will support WWF's invaluable conservation efforts.
